Course Length:

This course is 4 days in length.

Location:

Emergency Management Institute (EMI)
National Emergency Training Center (NETC)
Emmitsburg, Maryland

Course Description:

This course provides school district teams with the knowledge, skills, and tools needed to develop, review, enhance, and sustain an all threats/hazards school emergency operations plan (EOP). In every unit emphasis is placed on working with the whole community, including parents/guardians, and outside agencies such as law enforcement, fire, and emergency management, on planning for, and mitigating all threats and hazards, including active shooter/mass casualty incidents.

Course Goals:

Participants will learn how to leverage existing relationships and build new working relationships with community-based protection, response and recovery organizations to help schools plan for, protect against, mitigate, respond to, and recover from emergencies. Participants will have an opportunity to review, develop, and exercise their EOP, and

are encouraged to ask questions, and to use each other as resources. Using the collective knowledge and expertise of instructors and participants, participants can strengthen their EOP and gain a broader understanding of emergency preparedness and planning.

Units:

Unit 1: Course Objectives
Unit 2: Getting Ready for Planning
Unit 3: Assessing Threats/Hazards and Conducting Assessments
Unit 4: Developing the School EOP
